To those who have never dealt with us, would say that this business was established in 1870, and has always been under the same management as at the present. We have a plant of over six hundred acres, and are supplied with storage cellars, side track, and all up-to-date equipment necessary for the proper and rapid handling of nursery stock

LOCATION—We are located in Southwestern Iowa, fifty miles southeast of Omaha, Nebraska, and seventy miles northwest of St. Joseph, Missouri .

RAILROAD FACILITIES AND SHIPPING—We are on the C., B. & Q; Wabash, and Keokuk & Western Railroads and have low freight rates and direct lines to Chicago, Denver, Kansas City, Minneapolis, Omaha, St. Louis, St. Joseph and other central points. For express shipments, the Adams and Pacific Companies give good service.

PACKING SEASON—In the Spring we usually begin packing about March 15th. Please give shipping instructions and state whether by freight or express; also route. If no directions are given, we will forward to the best of our judgment, but in no case, will we assume responsibility after consignment to purchaser.

PRICES—Are limited to Spring, 1910, and supersede all previous lists and are subject to change without notice.

CAUTION—We accept all orders upon condition that they shall be void should any injury befall stock from frost, fire, hail storms, or other causes over which we have no control.

GRADES—We grade carefully; in some cases by caliper; in others by height. When graded by both caliper and height, the caliper must govern.

CLAIMS—For deduction, will receive consideration only when made within six days after receipt of goods.
